### Grant Evaluation

*Thank you for providing feedback on the grant you received from the Richard Donchian Foundation. This form provides the recommended format for your report. However, if you have a standard Report that your organization typically uses, you may submit that instead (it can be sent via email to [rdd@fsllc.net](mailto:rdd@fsllc.net)).*

*Date of Report Submission:*

1. What were the original goals of this effort?

2. In your estimation, was this program or project successful? How did you measure your efforts?

3. How did the program benefit the target population? Were there unexpected beneficiaries?

4. Were there any unanticipated successes or problems?

5. What lessons did you learn from this effort? Is there anything you plan to change or do differently?

6. Please describe how the grant was spent. Did this differ in any way from the original proposal?

*7. Will this program or project be continued? If so, briefly outline the anticipated sources of funding.*

*If there are any attachments that you would like to include to supplement this report, please email to [rdd@fsllc.net](mailto:rdd@fsllc.net)*
